Sitapura, Jaipur

Dr. Tarun Ojha

Dr. Man P. Sharma

Dr. ML Swarankar

Dr. RP Bhala

Dr. PC Verma

Dear Sir/Madam

We feel honored to address you again. Sincere thanks for the response given to previous brochures and confirming your participation. Mahatma Gandhi medical college & Hospital sitapura Jaipur is first private medical college of Rajasthan state and now is a part of 1st private medical university of Rajasthan that is Mahatma Gandhi University of Medical Sciences & Technology. Within a span of decade it has made outstanding progress and fame. It is matter of great honor and privilege to hold the 32nd Rajasthan state Annual conference of AOI at Mahatma Gandhi medical College. The venue of this mega conference will be the R L Swarankar Auditorium which is situated in the Mahatma Gandhi Medical College & Hospital premises.

A thought provoking scientific program including panel discussion, workshops and live surgery sessions etc. has been planned by Organizing Committee.

The conference has been designed for a wide spectrum of participants with a focus on the district doctors, private practitioners, PG students and young surgeons. It will offer an elegant meeting point for ENT surgeons of different generations from all over the state & country to share their experiences & knowledge. We are bringing together the eminent experts in various disciplines of Otorhinolaryngology :- Dr. Suresh Chandra Sharma, Dr. Anil Deruzi, Dr. JC Passey, Dr. Jyoti P Dabholaker, Dr. Devender Rai, Dr. KR Meghath, Dr. KK Handa, Dr. Ameet Kishore, Dr. Vikas Agarwal, Dr. Rohit Gulati & International faculty Dr. Megne Tvimmereim (Norway).

We are pleased to announce that Rajasthan State AOI is organizing the first preconference temporal bone workshop. It will be an academic feast for the postgraduate students and young ENT specialists who want to achieve excellence in the otologic surgery, right form basic to advanced work. The faculty will include eminent national figures in the field of otology and neuro-otology.

As per various statistics about 10% of Indians are suffering from sleep disorder and 98% of these are undiagnosed and untreated. Sleep disorders and snoring are growing day by day. It is important that we properly diagnose and appropriately treat such patient. Keeping this in mind we have planned for the workshop on sleep related breathing disorders and live surgical procedures by coblation technology.

Jaipur the pink city of India is known for its history, heritage, culture and hospitality. We extend you all a very warm invitation to come and experience the charms of this wonderful city and give us an opportunity to make your stay a pleasant and memorable experience with feast of academics and Jaipur hospitality. We look forward to the pleasure of being with you in the conference.

With warm greetings!!!
